*Dear Brother/Sister:*

*As you may know by now, Local 483 has a new Collective Bargaining Agreement with our Contractors. Effective July 28, 2008, all Journeyman should receive a \$2.50 per hour wage increase. Enclosed you will find a complete breakdown of our wage package over the life of the Agreement. The entire Agreement will be mailed to all members as soon as they are printed.*

*I would like to take this opportunity to Thank the Negotiating Committee for their hard work and diligence in all our meetings and discussions. They did an outstanding job. I would also like to thank the over two hundred members that came to the meeting on July 23, 2008 to hear the Contract Proposal, discuss and vote on it. It was great to have such a high level of interest and participation.*
